CANADA

Lively cities, spectacular landscapes and amazing wildlife, Canada has it all. Uncover beautiful cities from the up beat to the historic, explore outdoor playgrounds blessed with turquoise lakes and snow-capped peaks and view bears, whales, moose and more in their natural habitats. With so much to see, here are a few of our top picks.

VANCOUVER BRITISH COLUMBIA

Vancouver is one of the most beautiful cities in the world. Pretty tree-lined shopping boulevards, cobblestone streets and a large harbour sit against a perfect mountain backdrop. Explore expansive parks, historic districts and popular markets.

VICTORIA BRITISH COLUMBIA

Victoria is well known for its heritage landmarks such as Hatley Castle and the Empress Hotel. The city also has a deep connection with nature and offers wilderness hiking, great marine wildlife viewing and the pretty Butchart Gardens.

WHISTLER BRITISH COLUMBIA

Whistler is an outdoor lover's paradise. In winter, two lofty mountains provide the ultimate playground with skiing, snowboarding, snowshoeing and ice skating. In summer, hours of daylight will have you hiking, biking, golfing and wildlife viewing.

JASPER NATIONAL PARK ALBERTA

With natural beauty beyond compare, Jasper National Park is a must-visit. See powerful Athabasca Falls and picture-perfect Maligne Lake. Dare to walk the glass-floored Skywalk and ride the Skytram and don't miss the mighty Columbia Icefield.

BANFF NATIONAL PARK ALBERTA

This was Canada's first national park, and with very good reason. See postcard-worthy Lake Louise, Peyto Lake and Moraine Lake and the rushing waters of Johnston Canyon and Bow Falls. You'll also enjoy plenty of mountain trails and the quaint Banff town.

POLAR BEAR CAPITAL MANITOBA

Without a doubt, Churchill is one of the best places to view beautiful polar bears in their natural habitat. Churchill is also known as a great Beluga whale watching region and one of the top places to view the Northern Lights.

NIAGARA FALLS ONTARIO

A true wonder of nature, you'll never tire of seeing Niagara Falls. Take a cruise right up to the foot of the falls, walk behind the falls to feel the amazing mist or fly over the falls for a bird's eye view. Nearby, there are many restaurants with amazing falls views.

THE NATION'S CAPITAL OTTAWA, ONTARIO

The capital of the country, Ottawa has a wealth of landmarks and national treasures. Walk along Rideau Canal, see the Parliament Buildings and discover museums and galleries. A cosmopolitan city too, there's also no shortage of modern attractions.

OLD QUÉBEC QUÉBEC CITY, QUEBEC

Fortified Old Québec is packed full of European charm. Stroll down Rue du Petit Champlain, one of the oldest shopping streets in North America. See Place Royale and be surrounded by buildings that are over 400 years old.

EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Canada has countless amazing things to see and do. Here are just a few of our favourites to inspire your wanderlust.

BEAR VIEWING

Seeing these powerful animals in the wild is an experience you'll never forget. Grizzly bears can be found in the Rockies or fishing for salmon in rivers around Knight Inlet. Black bears roam the forests of both the Atlantic and Pacific coastlines, and the spectacular polar bear can be spotted around Churchill in Manitoba and out on the tundra of Arctic Canada. You're bound to see other wildlife on your bear watching adventures, so keep an eye out for elk, moose, caribou and mountain goats. Wildlife spotting doesn't get much wilder than this!

ICEFIELDS PARKWAY

Stretching 232 kilometres through the heart of the Canadian Rockies, the Icefields Parkway offers the road trip of a lifetime. This spectacular drive between Jasper and Lake Louise, winds its way through Jasper and Banff National Parks and reveals natural attractions at every turn. Get a photo at world-famous Moraine Lake, see the bright turquoise colour of Peyto Lake, and view the powerful Athabasca and Sunwapta Falls. Take an Ice Explorer ride out onto the Columbia Icefield, step on this impressive ice mass, and dare to walk the glass-floored Skywalk.

OUTDOOR ADVENTURE

With its craggy peaks, iridescent lakes and twisting and turning trails, Canada is a haven for outdoor adventure. Lace up the boots and hike to Lake Agnes Tea House for views of Lake Louise or take to the trails in Whistler and Sun Peaks for meadows of wildflowers. Pedal your way along cityside pathways such as The Seawall in Vancouver or the Rideau Canal in Ottawa, or pick up the pace at Whistler Mountain Bike Park. On the water, raft down the rushing waters of the Athabasca River. Try ziplining, bungee jumping and parasailing – there's no shortage of adventure here!

FJORDS, GLACIERS & ICEBERGS

The glacial wonderlands of Alaska's coastline are nothing short of spectacular. Sail around the coves and inlets of Kenai Fjords National Park to explore fjords, glaciers and marine wildlife. Kayak the protected, icy waters of Prince William Sound or cruise through Glacier Bay National Park and Preserve to discover icebergs the size of small buildings. Be impressed as glaciers calve into the bay with a rumble and an almighty splash. Some glaciers, including Portage and Matanuska, may be accessed by foot on scenic trails.

BUSTLING CITIES & CHARMING TOWNS
